Calming ice blue is enlivened with the addition of key lime, resulting in a punchy and commercial story. This palette is versatile and easy to wear with the addition of gentle and neutral light grey. Lightweight fabrics and textured qualities bring fluidity to styles.

Ce bleu glacier apaisant est vivifié par l'ajout de la couleur vert lime. Le gris clair ajouté à cette palette de couleurs en fait une collection polyvalente et simple à porter. La légèreté et la qualité des tissus apportent de la fluidité aux vêtements.

BREEZE

collection

Geranium is a strong, unmissable hot tone against a brilliant white that offers a refreshing contrast. Cement is swept along for the ride. Blown up florals and small-scale designs come together to give this collection a modern feel.

Associée à la couleur blanche, le rouge géranium apporte une touche colorée et vive à ce look. Des fleurs épanouies mêlées à des motifs géométriques ajoutent de la modernité à la collection.

AMERICANA

collection

The Americana trend continues with an athletic, nautical inspired theme. Silhouettes are classic intermixed with active details. Classic fabrics continue, featuring jersey, pique, and small gingham patterns. Minimal silhouettes and subtle details create an understated look.

La collection Americana se poursuit avec un thème qui se veut être sportif et nautique. Des silhouettes classiques et épurées accompagnées de détails d'un jersey technique et d'un motif vichy.

collection

This collection includes timeless pieces that transcend effortlessly from season to season and are a must. The designs offer detailing that allows ease of movement and comfort enhancing fabrics provide stretch. Style lines celebrate, support and enhance curves, rather than hiding them. The styles provide protection against wind and light rain during all your outdoor activities.

Cette collection regroupe des modèles indémodables qui passent aisément d'une saison à l'autre. Des essentiels aux détails bien pensés qui vous protègent du vent et de la pluie légère. Taillés dans des tissus extensibles pour plus de confort, ils offrent une grande liberté de mouvement. Les coupes cherchent à mettre en valeur les courbes et à les souligner, plutôt qu'à les dissimuler.
