BLACK
(050)

**EASILY CONVERTS
TO SHORTS!**

Tip of the Day

Keep a disposable plastic bag in your golf bag to help you with your pants.

**When it's time to use your rain pants,
place plastic bag over wet shoe.
Slide foot through pant leg so inside does not get
wet or muddy and shoe does not get caught on liner.
Repeat on second leg. You get a fast slide on,
without mud or water inside leg.**

**SIDE ANKLE ZIPPER
w/ VELCRO CLOSURE**

The Weather Apparel Company *Providing Superb Products at Affordable Prices*

OUTERWEAR

DURABLE FABRICATION	WATERPROOFING	VERSATILITY	PROTECTION FROM THE ELEMENTS	EMBROIDERY
All rainwear is made of water resistant; rip stop nylon, polyester microfiber or our new polyflex.	All styles are waterproof with taped seams. New polyflex jackets are water resistant. Our new Polyflex fabric is wind and water resistant.	Many styles are feature rich & multi-functional. Built for easy adjustments. Range of sizes available. Unisex styling on most items.	Fabric is water, wind, and rip-resistant. Mesh lining for breathability.	Rainwear can be embroidered for ASI, Corp, Staff & Tournament business. Please call for options.

UMBRELLAS

WINDPROOF CONSTRUCTION	AUTOMATIC OPEN STYLES	STORM SAFE	IMPRINTING	WARRANTY
All umbrellas are built with wind resistant frames. If an umbrella ever inverts, it can be snapped back into its original shape.	Open with the push of a button. Close manually.	Umbrellas are designed to stand against the elements. Most umbrellas contain a fiberglass shaft and most carry genuine wood, foam or rubberized handles.	Umbrellas can be imprinted with your club logo or promotional event. Please call for imprinting options.	All umbrellas are backed by an Unconditional Lifetime Warranty.
