# Stock and Bespoke Schoolwear

Combining state-of-the-art technology, highest quality materials, and three generations of knitwear experience, Balmoral Knitwear provides the fastest and most reliable service for school knitwear.

We continually invest in new machinery, technology and yarns. This year we are excited by the addition of Fully Fashioned Cotton/Acrylic knitwear to our existing range of Acrylic, Wool/Acrylic and Wool/Nylon yarns.

Our manufacturing base remains in our factory in Scotland but we have also carefully selected ethically sound offshore partners in Eastern Europe for certain styles and larger quantities. Only those adhering to Balmoral Knitwear's own extremely high standards are used.

For full information on
